

WELCOME FIRST ROBOTICS COMPETITORS!

We are once again looking forward to hosting the Lake Superior and Northern Lights FIRST Robotics Regional Competitions!

The DECC will have a meal room in the **Lake Superior Ballroom** near the competition fields. There will be ample seating for everyone who wishes to advance order our meal special each day.

To order meals for your team, fill out the attached order form and send it to:

- Betty Carlson
- Fax: 218-722-4247
- E-mail: admin@decc.org.

Advanced orders are due to the DECC no later than Thursday, February 22, 2018.

Please note:

1. Meals can be ordered day-of for the price of \$11.50 per meal.
2. Advanced orders must be paid in full with a valid credit card.
3. You will receive meal tickets for your advanced orders at team check-in.
4. Meal tickets are NON-REFUNDABLE.
5. Concession stands and a coffee cart will also be available each day of the competition.

IMPORTANT CHANGE: As many of you know the DECC has a “No Outside Food or Beverage” policy. We have often looked the other way to items being brought in because we understand that a large number of you are traveling and meal costs can be high. However, over the past couple of years the amount of food brought in has greatly increased. Some teams are plugging crockpots in at unsafe locations, trash and recycling are not being disposed of properly, and food items are being left out against health code standards. Because of this, we will be strictly enforcing the “No Outside Food or Beverage” policy this year. Any meals or snacks that you will be providing will need to be consumed in your hotel rooms.

Please feel free to contact me with any questions.

Sincerely,

Betty Carlson, Office Administrator
