

## **COOKIES, COLLEGE and CAREERS!**

Join us Thursday, December 13, 2018 at Eagan High School

in Lecture Room A

- 7:00-7:20 pm Intro and Background of Panelists
- 7:20-8:00 pm Q&A from Audience
- 8:00-8:30pm Networking

This is a series of panels interviewing young women on their experiences in choosing a career in STEM (Science, Technology, Engineering & Math), selecting a college, and the first few years of their career.

Interact with engineers and scientists from 3M, Target, Thomson Reuters, and other Fortune 500 companies.

Male and female students are welcome! No fee to attend. We will collect toys for the local homeless shelter.
